🎓 Full Stack Web Development, Masai School, 2022-01-2022-08

🎓 B E, Chandigarh University, 2016-08-2020-09

Technical Skills

HTML | CSS | React | Java | JavaScript

Soft Skills

Time management | Adaptability | Communication | Teamwork

Interests

Cricket | Listening Songs

Accomplishments

- I have played a district cricket tournament for my School Cricket Team.

Personal Profile

I love to work on exciting projects that test what I've learned, whilst being exposed to the power and potential of the ever-evolving technologies around us. I'm always looking for better, and more importantly, ethical and accessible ways to solve the common problems we are faced with day-to-day.

Projects

Banggood Clone ○

It's an e-commerce website that helps you to buy & research the products according to your needs.

Features

- Can Register and Sign-in
- Can Sort the products
- Can add and remove products from Cart & Payment Gateway

Tech-Stack

HTML | CSS | React | Java

Area of responsibility

- Front-end & Back-end for the cart and payment gateway.
